Directors Declaration of the Trustee Company

The directors of the trustee company declare that the trust is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the trustee company declare that:

1. The financial statements and notes present fairly the trust's financial position as at 30 June 2023 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements;

2. In the directors' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors of the trustee company.

THE THOMAS GROUP TRUST
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED
30 JUNE 2023

Note 1: Summary of Significant Accounting Policies

The THE THOMAS GROUP TRUST prepared the financial statements of the trust on the basis that the trust is a non-reporting entity because there are no users dependant on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the trust deed, the information needs of the stakeholders and for the basis of preparation of the income tax return.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the THE THOMAS GROUP TRUST determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows:

(a) Property, Plant and Equipment (PPE)

Property, Plant and Equipment are carried at cost or at independent or THE THOMAS GROUP TRUST valuation. All assets, excluding freehold land and buildings are depreciated over the useful lives of the assets to the trust. Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in shareholders' equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the income statement. Each year the difference between depreciation based on the revalued carrying amount of the assets charged to the income statement and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

The carrying amount of plant and equipment is reviewed annually by THE THOMAS GROUP TRUST to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

(b) Provisions

Provisions are recognised when the trust has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reasonably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

(c) Cash and Cash Equivalents

These financial statements are unaudited. They must be read in conjunction with the attached Accountant's Compilation Report and Notes which form part of these financial statements.

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(d) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognised related to the provision of services is determined with reference to the stage of completion of the transaction at the reporting date and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

These financial statements are unaudited. They must be read in conjunction with the attached Accountant's Compilation Report and Notes which form part of these financial statements.

Complete the distribution details on the following pages for BENEFICIARY 1 to 3 if required, and for Income to which no beneficiary is presently entitled and in which no beneficiary has an indefeasible vested interest, and the trustee's share of credit for tax deducted, if it applies.

If there are more than three beneficiaries see the instructions for more information.

Note: It is not an offence not to quote a TFN for a beneficiary. However, TFNs help the Tax ATO to correctly identify each beneficiary's tax records. The ATO is authorised by the Income Tax Assessment Act 1936 and the Income Tax Assessment Act 1997 to ask for information in this tax return. We need this information to help administer the tax laws. To make a correct Trustee Beneficiary (TB) statement you must quote the TFN of a resident trustee beneficiary of a closely held trust.

Note: If the trust needs to provide annual reports under the Trustee Beneficiary Rules or the TFN withholding rules you will be able to do so by completing the information in the statement of distribution.

Declarations**TAXPAYER'S DECLARATION****Important**

Before making this declaration check to ensure that all income has been disclosed and the tax return, all attached schedules and any additional documents are true and correct in every detail. If you are in doubt about any aspect of the tax return, place all the facts before the ATO. The income tax law imposes heavy penalties for false or misleading statements in tax returns. This declaration must be signed by a trustee or public officer.

Privacy

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify each beneficiary in our records. It is not an offence not to provide the TFNs. However, if the TFNs are not provided, it could increase the chance of delay or error in each beneficiary's assessment.

Taxation law authorises the ATO to collect information including personal information about the person authorised to sign the declaration. For information about your privacy go to ato.gov.au/privacy

Directors Declaration of the Trustee Company

The directors of the trustee company declare that the trust is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the trustee company declare that:

1. The financial statements and notes present fairly the trust's financial position as at 30 June 2023 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements;

2. In the directors' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors of the trustee company.

THE OXYGEN FIT GROUP TRUST
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED
30 JUNE 2023

Note 1: Summary of Significant Accounting Policies

The THE OXYGEN FIT GROUP TRUST prepared the financial statements of the trust on the basis that the trust is a non-reporting entity because there are no users dependant on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the trust deed, the information needs of the stakeholders and for the basis of preparation of the income tax return.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the THE OXYGEN FIT GROUP TRUST determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows:

(a) Property, Plant and Equipment (PPE)

Property, Plant and Equipment are carried at cost or at independent or THE OXYGEN FIT GROUP TRUST valuation. All assets, excluding freehold land and buildings are depreciated over the useful lives of the assets to the trust. Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in shareholders' equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the income statement. Each year the difference between depreciation based on the revalued carrying amount of the assets charged to the income statement and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

The carrying amount of plant and equipment is reviewed annually by THE OXYGEN FIT GROUP TRUST to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

(b) Provisions

Provisions are recognised when the trust has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reasonably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

(c) Cash and Cash Equivalents

These financial statements are unaudited. They must be read in conjunction with the attached Accountant's Compilation Report and Notes which form part of these financial statements.

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(d) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognised related to the provision of services is determined with reference to the stage of completion of the transaction at the reporting date and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

These financial statements are unaudited. They must be read in conjunction with the attached Accountant's Compilation Report and Notes which form part of these financial statements.

Complete the distribution details on the following pages for BENEFICIARY 1 to 3 if required, and for Income to which no beneficiary is presently entitled and in which no beneficiary has an indefeasible vested interest, and the trustee's share of credit for tax deducted, if it applies.

If there are more than three beneficiaries see the instructions for more information.

Note: It is not an offence not to quote a TFN for a beneficiary. However, TFNs help the Tax ATO to correctly identify each beneficiary's tax records. The ATO is authorised by the Income Tax Assessment Act 1936 and the Income Tax Assessment Act 1997 to ask for information in this tax return. We need this information to help administer the tax laws. To make a correct Trustee Beneficiary (TB) statement you must quote the TFN of a resident trustee beneficiary of a closely held trust.

Note: If the trust needs to provide annual reports under the Trustee Beneficiary Rules or the TFN withholding rules you will be able to do so by completing the information in the statement of distribution.

Declarations**TAXPAYER'S DECLARATION****Important**

Before making this declaration check to ensure that all income has been disclosed and the tax return, all attached schedules and any additional documents are true and correct in every detail. If you are in doubt about any aspect of the tax return, place all the facts before the ATO. The income tax law imposes heavy penalties for false or misleading statements in tax returns. This declaration must be signed by a trustee or public officer.

Privacy

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify each beneficiary in our records. It is not an offence not to provide the TFNs. However, if the TFNs are not provided, it could increase the chance of delay or error in each beneficiary's assessment.

Taxation law authorises the ATO to collect information including personal information about the person authorised to sign the declaration. For information about your privacy go to ato.gov.au/privacy

Directors Declaration of the Trustee Company

The directors of the trustee company declare that the trust is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the trustee company declare that:

1. The financial statements and notes present fairly the trust's financial position as at 30 June 2023 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements;

2. In the directors' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors of the trustee company.

THOMIC PROPERTY GROUP TRUST
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED
30 JUNE 2023

Note 1: Summary of Significant Accounting Policies

The THOMIC PROPERTY GROUP TRUST prepared the financial statements of the trust on the basis that the trust is a non-reporting entity because there are no users dependant on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the trust deed, the information needs of the stakeholders and for the basis of preparation of the income tax return.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the THOMIC PROPERTY GROUP TRUST determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows:

(a) Property, Plant and Equipment (PPE)

Property, Plant and Equipment are carried at cost or at independent or THOMIC PROPERTY GROUP TRUST valuation. All assets, excluding freehold land and buildings are depreciated over the useful lives of the assets to the trust. Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in shareholders' equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the income statement. Each year the difference between depreciation based on the revalued carrying amount of the assets charged to the income statement and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

The carrying amount of plant and equipment is reviewed annually by THOMIC PROPERTY GROUP TRUST to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

(b) Provisions

Provisions are recognised when the trust has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reasonably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

(c) Cash and Cash Equivalents

These financial statements are unaudited. They must be read in conjunction with the attached Accountant's Compilation Report and Notes which form part of these financial statements.

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(d) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognised related to the provision of services is determined with reference to the stage of completion of the transaction at the reporting date and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

These financial statements are unaudited. They must be read in conjunction with the attached Accountant's Compilation Report and Notes which form part of these financial statements.

Complete the distribution details on the following pages for BENEFICIARY 1 to 3 if required, and for Income to which no beneficiary is presently entitled and in which no beneficiary has an indefeasible vested interest, and the trustee's share of credit for tax deducted, if it applies.

If there are more than three beneficiaries see the instructions for more information.

Note: It is not an offence not to quote a TFN for a beneficiary. However, TFNs help the Tax ATO to correctly identify each beneficiary's tax records. The ATO is authorised by the Income Tax Assessment Act 1936 and the Income Tax Assessment Act 1997 to ask for information in this tax return. We need this information to help administer the tax laws. To make a correct Trustee Beneficiary (TB) statement you must quote the TFN of a resident trustee beneficiary of a closely held trust.

Note: If the trust needs to provide annual reports under the Trustee Beneficiary Rules or the TFN withholding rules you will be able to do so by completing the information in the statement of distribution.

Declarations**TAXPAYER'S DECLARATION****Important**

Before making this declaration check to ensure that all income has been disclosed and the tax return, all attached schedules and any additional documents are true and correct in every detail. If you are in doubt about any aspect of the tax return, place all the facts before the ATO. The income tax law imposes heavy penalties for false or misleading statements in tax returns. This declaration must be signed by a trustee or public officer.

Privacy

The ATO is authorised by the Taxation Administration Act 1953 to request the provision of tax file numbers (TFNs). The ATO will use the TFNs to identify each beneficiary in our records. It is not an offence not to provide the TFNs. However, if the TFNs are not provided, it could increase the chance of delay or error in each beneficiary's assessment.

Taxation law authorises the ATO to collect information including personal information about the person authorised to sign the declaration. For information about your privacy go to ato.gov.au/privacy
